

Small enough for everyone to count

# Mead Road Infant School

*'Small enough for everyone to count'*

## Governor Vision

At Mead Road we have high expectations of ourselves as a school and for our pupils' educational and personal development. We strive for the highest standards in teaching and learning, behaviour and social awareness. Our motto is "small enough for everyone to count" and we value all of our pupils, working in partnership with families and the wider community.

Our safe and positive learning environment enables children to develop self-confidence and high self-esteem. Through carefully planned engaging and meaningful experiences, our children are inspired to become outstanding learners, developing the resilience and perseverance to take risks and try new challenges, aspiring to be the best they can be.

Our vision is to provide the children at Mead Road Infant School with outstanding education in an enjoyable, supportive and safe environment. We aim to promote every child's social, moral, spiritual and cultural development as well as excellence in academic achievement. Through positive learning experiences we will prepare our children for their role as future citizens.

As a Governing Body we aim to:

- Provide challenge, rigour and strategic support to the school leadership team
- Provide a visible and transparent style of governance within the school community
- Build supportive links between Governors and the school staff
- Maintain and update the school's premises and infrastructure

Mead Road has a highly committed staff, both teaching and non-teaching, who are valued as individuals and their contribution to the school celebrated.
